Hello Ken,

After your student professional worker has had an opportunity to complete the research and analysis, may I suggest that OHR meet with the consultant Jenna Snow to further vet the matter before OHR arrives at any particular conclusion. Our office is happy to host a dialogue in the interest of fully vetting the issue.

Food for thought.

Thanks again,

Gerald

Thanks, Gerald. We're having one of our Student-Professional Workers do some research this week on the survey findings and adoption process for Pico Union and this particular property. She's hoping to wrap that up at the end of this week, so could we talk next week?

Hi Ken,

I know your plate is too full - I wanted to follow-up on this matter re. Jenna Snow's analysis and recommendations. Perhaps if you have an available time slot sometime next week, we can discuss further by phone.

Appreciate it,

Hello Ken,

Thank you for recently meeting with our office on a range of CD1 historic preservation issues. In terms of the Pico-Union HPOZ boundary issue, I am forwarding an electronic copy of materials, including an analysis by consultant Jenna Snow.

I know your plate is full - if you don't mind, would love to tag-base with you by, say, end of next week if at all possible - to hear your comments and feedback.

Much appreciated,

Gerald
